Americert International Harmonized Produce GAP/GHP Food Safety and Good Agricultural Practices Certificate

Operation Name:

Certificate Type:

Operation Address

Effective Date: Renewal Date:

Certificate Number: Client Number:

Americert International, a USDA National Organic Program accredited certification body, and a United Fresh Produce GAP Harmonized Standards licensee has determined, after a review of the operation's Food Safety and Good Agricultural Practices Compliance Plan, onsite inspection and audit, and extensive review of the operation's policies, procedures, and practices, that the above listed operation has demonstrated compliance with the United Fresh Produce GAP Harmonization Standards, equivalent to the USDA Produce GAP Harmonized Food Safety Audit. Continued certification is dependent on ongoing compliance and onsite audits; accordingly, the continued validity of this certificate should be verified by contacting Americert International.
